

Sensory Summer Program 2024

It's never too early to start planning for the summer, especially when it comes to your children! Want to keep your children stimulated and engaged this summer while also working on their developmental skills? Our Sensory Summer Program offers sensory-motor enriched opportunities for children of all ages and abilities and is run by two professional occupational therapists. From our weekly “cooking group” to sensory projects and gross motor obstacles, our hands-on and full body activities provide children with the chance to explore using all their senses.

The summer program runs for 7 weeks with choices of 3 days a week: Monday, Wednesday and Friday or 5 days a week. It starts July 8th - August 23th. You may sign up for all weeks or some weeks. Reserving a spot requires a deposit per week, per child. Standard deposit fees are \$25/week for the program. Deposit fees apply toward the total of weekly program fee.

Paying a deposit is the only way to guarantee that your child(s) will have a reserved spot for the program.

You may make a payment by credit card or cash.

Payment is due each Monday.

**Dates and themes are posted below.
Call or e-mail to reserve your spot now.
Space is limited!**

Sensory Summer Program
